Insight From The Top

PRINCIPAL'S MESSAGE

John Glenn High School has become recognized as an exemplary school throughout the State of California. The credit for this honor goes to the students, staff, and parents of our school community. A brief journey through the pages of our yearbook brings to reality all of the marvelous facts of our school. It is truly a school of which all of us can be proud. It takes a very special talent to capture the essence of a school that is rich in activities and in human feelings. It is my feeling that our yearbook staff has been able to give a pictorial impression of our school. They have done so through good planning, intelligent decisions, and a tremendous amount of time. A very special thanks goes to the yearbook staff and to our yearbook advisor, Mr. Richard Garcia, and to our editor, Elaine Cabrera. Thank you for a great yearbook!

Art Ponce
Assistant Principal- Activities and Plant

It was indeed a pleasure to return to John Glenn High School. I was very impressed with the warmth and friendship that was expressed to me from everyone. John Glenn is a wonderful place to work. I look forward to a long and positive association with students, classified staff, teaching staff, administrators, and parents. John Glenn is still the greatest.

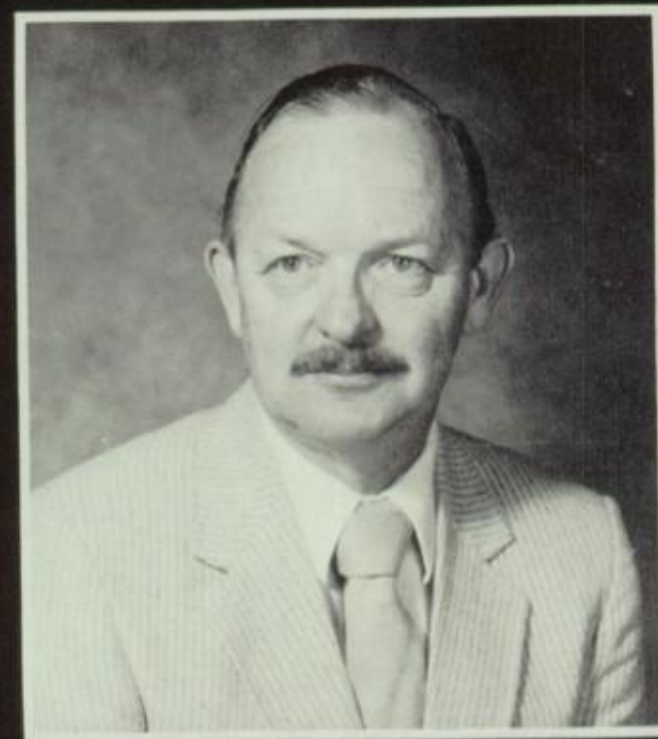

Rosa Carreon
Program Specialist/Eighth Grade-Bilingual

My five years at John Glenn High School have been very rewarding. It has been a great pleasure contributing to the education of eighth grade and bilingual students. Each year it is very satisfying to observe that our students have greater motivation and desire to learn. This year, our eighth grade class was unique in that they demonstrated great school spirit and were especially well behaved. The class has the potential to be one of the best ever graduating from John Glenn. Keep up the good work eighth graders and set a good example for the other incoming classes!

Linda Hary
Assistant Principal- Curriculum and Instruction

As I know all my co-administrators do, I extend best wishes to the 1986 Graduating Senior Class. The outstanding academic achievements of the Class of 1986 exemplify hard work and continuous effort. John Glenn High School recognizes and salutes the contributions of the Class of '86! You were a model for future John Glenn High School students.

Don Usher
Dean of Students

Attitudes of good attendance and success in school are essential skills that prepare young people for success in their adult lives. The home and school are where these skills are learned. One of my major goals is to help students learn these skills as they prepare for adulthood.

What teacher do you admire the most? Why?

MARGARET A. - I admire too many of them to make a decision since most of them I admire for what they do individually. KIM T. - Mr. Fernety because he has taught me the best that I had never received from anyone at all. SONJA V. - One of my favorites is Mr. Fernety. He knew how to get along with us in a way that we never lost respect for him. He is also an excellent teacher who helped me appreciate and deepen my love for literature. DESIREE R. - Mrs. Hixson, she's a wonderful teacher, #1 coach, and a very special friend. EMILIO S. - Mr. Riddar, he's a good teacher. PATTY I. - Mr. D. Bell because he was a good teacher who made me laugh. MARIO H. - Stan Anderson because he was a good teacher to me, I learned a lot in his class and he's a cool teacher. MARTHA L. - I think Mr. Stan Anderson is the best teacher because he was the one responsible for helping me get on the way to reading novels. LINA P. - Mr. Bell because he always had a smile for you. TONY P. - Mr. Herd, because he's cool.

What is the most important thing you learned in high school?

BERTHA A. - You must do your best to succeed in life. Keep reaching for the top and always keep a smile on your face. JESUS U. - I learned never to stop striving for my goals and to achieve what I can out of life. JOHN W. - Not to let people borrow pens, because you'll never get them back. ROHAN F. - Importance of a college education. GEORGE G. - Be yourself, because if you don't, who is? LISA A. - To always strive for my goals and never give up no matter what stands in your way. JAMES RAMIREZ - How to pass a class without doing homework. HA W. - I learned to be myself and to accept people for the way they are. JULIA L. - I learned that it is important to be yourself. You don't have to be like everyone else to be accepted. KENNY K. - How to care. JEROME B. - To be spirited and respect others. ROBERT S. - How to prepare myself for the future. JUDITH R. - To appreciate everything and everyone around you. RICHARD M. - To get good grades and get a good job and stay away from drugs. PAM R. - I learned to be more disciplined.

What year was your best at Glenn? Why?

STEPHANIE A. - My Sophomore Year, because "the table" is what the class of 86 was all about and I met John Wood! HUGO R. - Senior Year: I've had the most fun, became more mature with my friends, and just plain liked it. ANDRE D. - My Junior Year, because we proved who really was the best class. TONYA J. - 1986, because I'm graduating. DENA S. My Sophomore Year because I met Donna Vincent. SUSAN N. - All of my years have been great at John Glenn, therefore I can't choose just one year! They are all my best and will be cherished forever. LYDIA M. - 10, because my friends and I were together. MICHAEL Y. - My 10th grade year, because there was the greatest feeling of togetherness in the Class of "86" (TONS) Live on forever!!! THONG L. - The Senior Year, because of its freedom, pride of an upper classman also mixed with anxiety for the outside world. DAVID D. - This year! People respect you! SYLVIA T. - My senior year I had the best teachers and the most interesting classes.

ACADEMICS

A Glance Through The World Of Business

In the last year the Business Department completely changed its image; we were now entirely computerized and were chosen by the State as a Model Business Department. We received a substantial grant from the State and used the funds to install a new computer lab with 11 IBM PC's and appropriate software for all classes in the department. These, together with our 15 Commodore 8032's, TRS 80, Apple 2 computers, memory and electronic typewriters and calculators, offered business students the opportunity to train on equipment currently used in business and industry. Classes were offered in word processing, computer data entry, computerized accounting, office occupations, office management, recordkeeping, jobs, shorthand, business English, and typing—all utilizing this excellent equipment. Whether a student was planning to enter the world of work immediately after graduation or get a part-time job while attending college, the Business Department provided the training needed in today's job market.

1. Time out.
2. Typing can be so interesting.
3. Working with calculators and learning math.
4. Shorthand can be fun sharing it with a friend.
5. Students learning business together.
6. What did you say?
7. Dawn learning computer skills.

Learning Every Aspect Of Home Preparedness

1. Preparing before cooking.
2. Is this how it's done?
3. Gina Lopez takes a turn at making pizza.
4. Gloria Guerrero measures exactly.
5. This thing has holes in the bottom.
6. Don't make me do that.
7. Can't wait till the food is done.
8. Robert dreams of being a chef.

This department like many other elective areas was really competing for student enrollment. We were nevertheless, offering an exciting curriculum to students. In the future we hope to offer more sections of the 8th grade home-making class which is a combination of foods, clothing and related areas. The 9th and 10th grades had a choice of the comprehensive Teen Living course or clothing. A real thrust was to increase enrollment in the 11th and 12th grade classes of "On Your Own" and "Parenting". These courses covered relationships, family management and budgeting, parenting skills and family relations.

Under The Microscope

Happy teachers, smiling students, gophers, frogs, and Marvin Mole. There was always a hum of activity as the students "did science". Dropping rocks and sagging slinkies contributed to the understanding of scientific concepts and to the fun of working together.

The science teachers were always there ... snack, lunch and after school. They helped each other and the doors were always open to the students. This friendly environment attracted others who were interested in science education and we often saw visitors leaving the building with renewed enthusiasm.

Ms. Starnes, Mr. Usher and Mr. Olguin constantly had a field trip or special project on their calendar. Mrs. Agatep was an encyclopedia of helpful advice and Ms. Barrett and Ms. Neufeld were indeed pleased to have that friendly encyclopedia right at their back door. The teachers in rm. 1102, Mr. Vanags and Ms. Frawley, finally figured out how to repair the telescope and Ms. Watt and Mrs. Hughlett claimed they should have been the first in line to see Halley's Comet. After all, Ms. Hughlett videotaped all the Comet programs and Ms. Watt's students did all the Comet drawings!

The motto of the science Department was "DO SCIENCE".

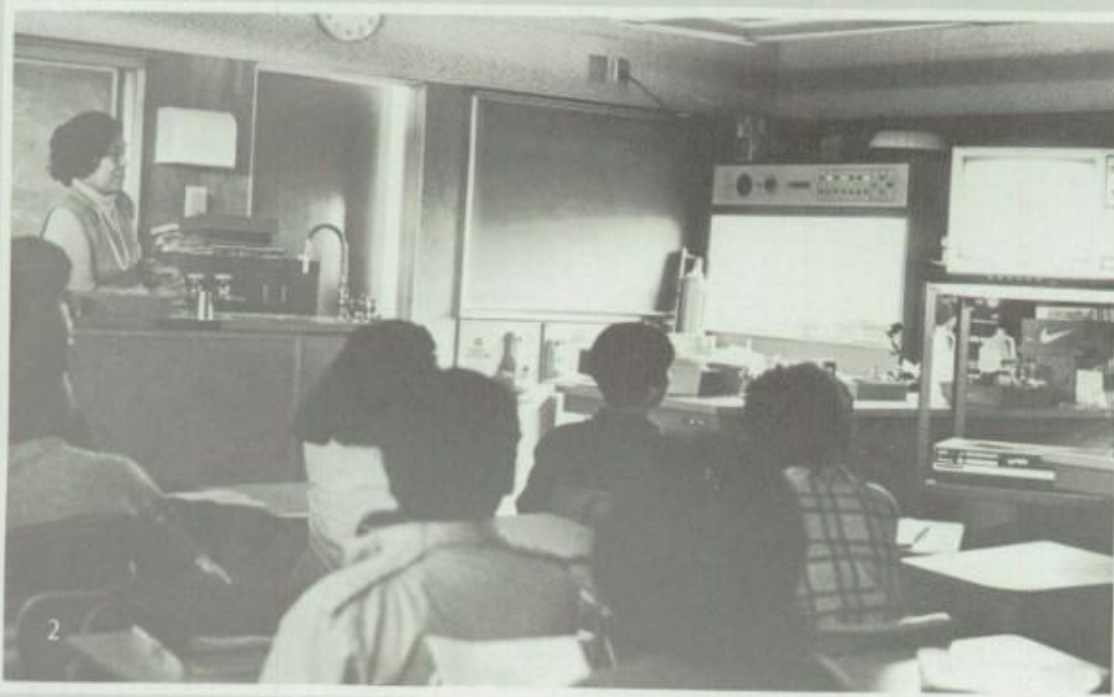

The students were glad because:

if teachers TELL ... students FORGET

if teachers SHOW ... students MIGHT REMEMBER

if students are INVOLVED ... they UNDERSTAND!!!

and real learning takes place!

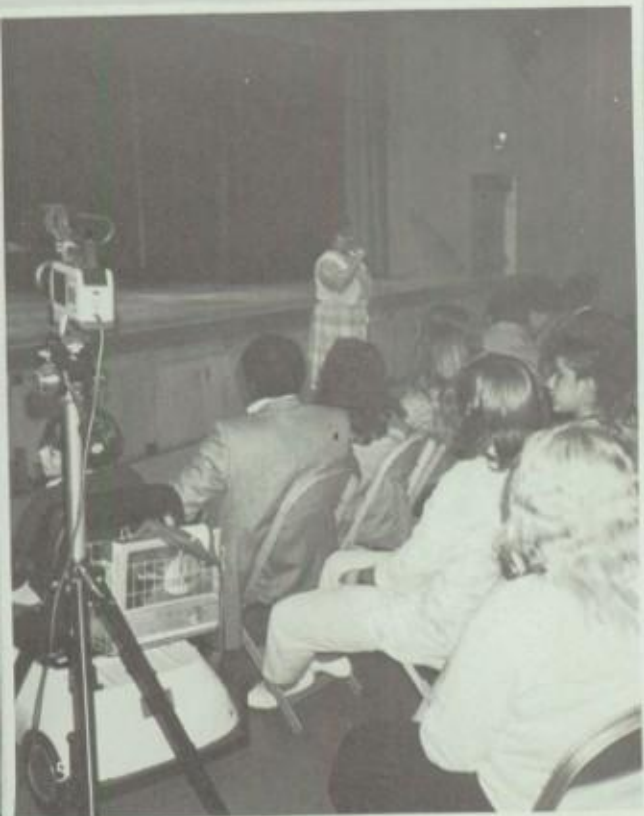

1. Correcting papers is part of Mrs. Hughlett's daily work.
2. Mrs. Agatep's class watching a science video.
3. Andre Delfin pointing out parts of the human body.
4. Mrs. Neufeld gets students attention.
5. Experiments are the fun part of class.

Fine Arts Rounds Out The Picture.

1. It's a boy!!
2. Building a paper mache' project.
3. Stretching is part of warming up.
4. Yearbook Staff learns technique at a conference.
5. Waiting for the performance.
6. Mrs. Wilson's eighth grade class working on block prints.

Going into the new year our dept. had already started projects. Mrs. Lois Wilson was the Secondary Fine Arts Mentor, Mr. Wilson and Ms. de Julio were creating a video library for the Visual and Performing Arts through a CTIIPS grant, Mrs. Edwards was a Secondary Mentor working in Fine Arts and Video development and most of the Glenn Fine Arts Dept. were involved in a Fine Arts Task Force at the district developing a new Fine Arts class for the district for "86-87".

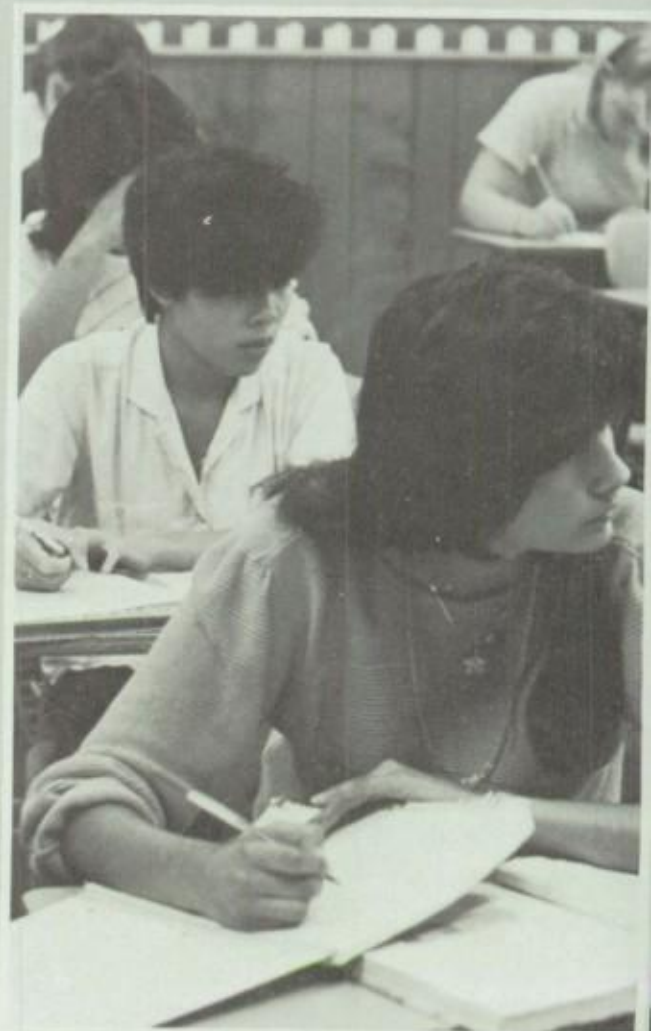

This year we presented our 2nd. Fine Arts Faire in May.

The department organized and brought to the Glenn campus 2 theatre programs, Jim Ryan's one man show and the wonderful Oregon Shakespeare Festival Actors from Ashland.

Again this year, members of the performing Arts were involved in the California Thespians with two students elected to state office, Alecia Hannum and Stacy Brewer and on the State Thespians Board, Ms. de Julio.

World Of Different Languages

Glenn's Foreign Language Department was small, but continued to grow. Five years ago there was one teacher (Ron Renison) in the department, and Spanish was the only language offered. Currently there are five sections of French, four of German, and eleven of Spanish; and we expected to reach many more students in the future. The need for citizens who can communicate effectively in foreign language, as well as feel at ease in understanding foreign cultures, has finally been recognized. Consequently, there is a movement throughout the nation to provide communication-based instruction in foreign languages. In California, the state Board of Education has established model curriculum standards that reflect the principles of this movement. Also, one year of foreign language or of visual and performing arts has been included in the new high school graduation requirements. At the university level, oral proficiency tests are being developed for use in placing students in foreign language courses. In the past, articulation in the study of foreign language from high school to the university has been lacking, and placement has been left up to the individual. During the 1985-86 school year our language teachers attended workshops to learn both the theory and the practical aspects of communication-based instruction. Our goal was to implement changes next year that will bring our courses in line with the state's standards and prepare our students to meet university proficiency requirements. One of our district's two foreign language mentor teachers, Frieda Schegetz from Glenn, was selected as a representative of Region 12 (which includes Los Angeles County) at California's Foreign Language Curriculum Implementation Center. After attending three training sessions, the members of each regional team had the responsibility of developing a plan of action to improve foreign language programs and provide staff development opportunities for foreign language teachers in their region.

Learning To Maintain A Good Life

Where can a student learn all there is to know about civil defense, first-aid, drugs, tobacco, alcohol, and accident prevention, all in one quarter, but in a safety class. Drivers Ed retained its popularity with its offering of that sought after reward, a valid driver's license.

1. Smiles to warm your heart. 2. Tricia Campos completes her test. 3. How am I gonna carry all this?? 4. Fun Work!!! 5. Thinking hard! 6. I was listening. 7. Should I wake her? 8. Who me?

Learning Equals Application

The Industrial Arts Department offered classes in Automotive repair, Drafting, Electronics, Jewelry making, Metal working, and Woodworking. The shops had exceptionally fine equipment, comparable to what is found on many job sites. It all added up to a training program that can get a young man or woman ready for a job after high school graduation.

The Electronics program, taught by Mr. Hauske introduced students to the mysterious world inside the stereo and television set. You learned what makes each of those great sounds and pictures.

You learned how to make electrical measurements, how to assemble and repair electronic circuits, and how to test parts. The highlight of each course was making take home projects. Strobe lights, color organs, the sound activated switch, the lamp dimmer, and the ever popular burglar alarm were among the many projects available in your electronics classes.

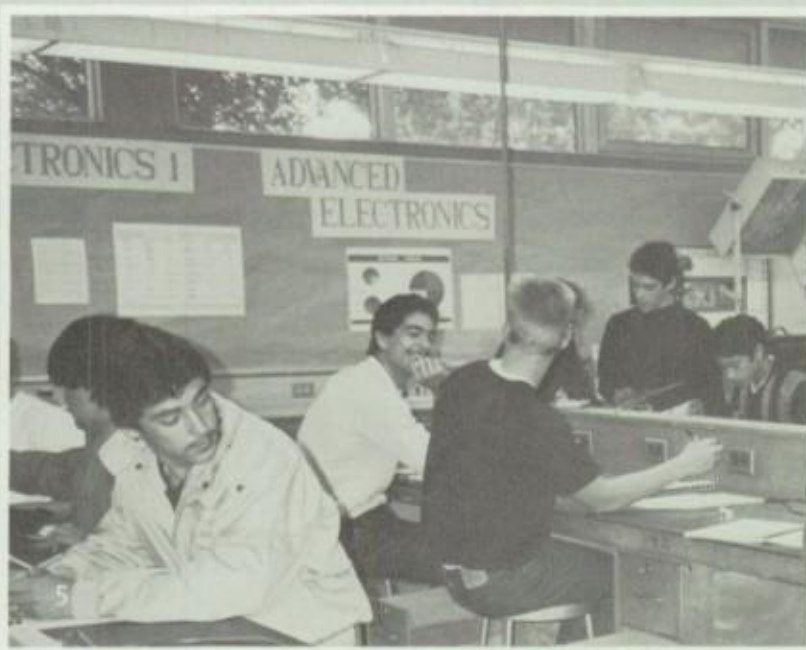

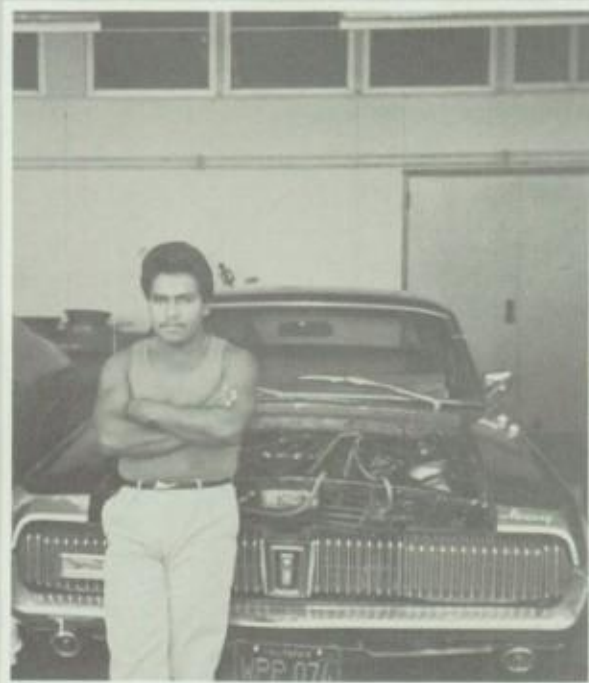

Ah... the wonderful world of woodworking, taught by Mr. Monroe, from beginner to cabinetmaker apprentice, from hand tools to advanced machinery, from sticks to turned timbers, from hand hewn hobby to handsome heirloom, from Knots to Knick-Knacks, from miniature to massive; all this and more when working in the wonderful world of wood.

In the Jewelry class you learned to make rings, charms, earrings, key fobs, and many other fun, high quality metal articles, all taught by Mr. Wright.

Metalworking classes introduced a variety of skills that included lathe and milling machine operations, gas and arc welding, and foundry and bench metal techniques. Many students took their new skills and made weight lifting benches, dumb bells, bird cages and engine stands.

In drafting you learned to make the drawings that are used in manufacturing and construction trades. If you were interested in engineering careers this was a good place to start. Mr. Hollis and Mr. Monroe taught the drafting classes.

The Automotive Mechanics classes were taught through the ROP by Mr. Householder. Here was a first class mechanic teaching you how to repair your own car. Our motto is: "We fix anything and everything."

1. I stand by my work.
2. Lets just give it up!
3. You're suppose to work on it, not sit on it.
4. Now this is the plan.
5. I know they're talking about me.
6. No, don't stick your hand in the machine!
7. Check that out!

Language Lights Up The World

The Language Arts Department of Glenn continued to increase in strength. This was due to a very fine staff of teachers and also recent curriculum changes.

An integrated honors program had been a goal and this school year that goal was accomplished. An honors class was offered at each grade level, culminating with advanced placement class at the senior level. Approximately 175 Glenn students participated in the Language Arts Honors program.

Having Fun With Numbers

Many times it has been said, "Numbers are the name of the game," meaning that there is little in life that is outside the arena of numbers; or in a more sophisticated sense "Mathematics." Even though we may accept the premise of the first statement it is still possible to find groups of people on earth who have just two words in their counting vocabulary; a single word for one and another word for many. It is difficult to imagine that in this same world we have computers capable of highly complex calculations in a fraction of a second. Mathematics is certainly important, as much a part of life for humans as water is for fish.

It was refreshing to see the recent interest in Mathematics continue to expand. Industry, government and society in general were all increasing their support for the development of a "Mathematics" conscious society. Approximately 80% of our student body enrolled in math and computer courses. A concerned effort was made to provide teachers with material support and ideas for improving instruction.

This is also a timely opportunity to say, "Thank You" to the excellent staff of teachers in the Math Department who taught in areas such as Fundamentals of Math, Math Analysis or Computer Programming. We appreciate your efforts toward assisting students toward increased achievement in Mathematics which may lead them to greater success.

The future- who can really tell what lies ahead? Several years ago a group of scientists gathered and discussed the type of message they considered might be received one day from different people on another planet. They concluded that the one message that would make sense to us intelligent earthlings would have to be some form of MATHEMATICS!

1. The students show interest in Mr. Haggerty's lesson.
2. Did you find the right page?
3. Learning about computer math
4. There's a strange aura around here!

ROP Looks Toward The Future

ROP classes at John Glenn were an important part of a larger program of specialized ROP classes. These Southeast ROP classes were available to students at least 16 years of age or at the junior or senior level. ROP was designed to provide students with the basic skills required for a particular job. In some cases, students participated in community classroom internship training in local businesses and industries. When a student successfully completed an ROP course and performed the required job tasks, credit and grades were given by the high school district.

At John Glenn, there were five ROP classes: Word Processing, Foreign Car Repair, Cabinet-Making, Computer Data Entry, and Machine Tool. ROP had an enrollment of over three hundred in its on-campus classes. With more people learning of ROP, enrollment grew in all areas.

A variety of classes were offered through ROP, including Bank Teller Training, Hospital Careers, Restaurant Industry Careers, Cosmetology, Retail Merchandising, and Child Care.

The diversity of courses offered by the Southeast ROP made the program interesting and extremely helpful to those who wanted to learn new skills or polish up their existing ones.

1. Junior Becky Blanco taking blood pressure at Pioneer Hospital. 2. Brothers Mike and Shawn Van Eeckhoutte using a radial arm saw. 3. Senior Cassandra Green learning to work a bank teller window. 4. Seniors Leona Villegas and Monica Badial with instructor Lenora Summerford. 5. Instructor Pete Wright with junior Mauricio Marquez working with a lathe. 6. Instructor Jerry Householder with 3rd period class. 7. Junior Tony Sainz using a verticle mill. 8. L-R: Rosalva Moreno, Amy Garcia, Lia Alvarez in Cosmetology at Cerritos College. 9. Senior David Hardy puts things in their proper place.

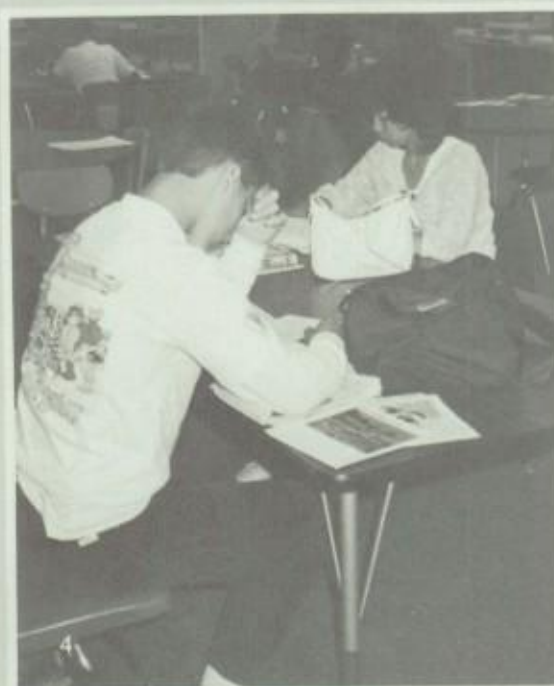

Reading: Insight To The World

The Reading Department served three different elements: The 8th Grade Core, the 9-12 grade program, and the Bilingual classes.

We not only offered classes for students with clinical reading problems, but developed reading skills of students who read near grade level. We also improved the skills of students reading beyond grade level. We further offered enrichment classes, such as Speed Reading and Advanced Reading Comprehension for 9-12 grade students reading at or beyond grade level.

The Reading Lab was an integral part of the 8th grade Core Program, the 9-12 grade program and Bilingual classes. The core had first priority to utilize the Reading Lab. The students rotated into the reading lab to work on prescribed individual needs in phonics, vocabulary, literal and interpretive comprehension skills.

1. Students learn the modern way.

3. You better not take that picture.
4. I hope her boyfriend doesn't get mad.
5. I don't believe his answer.
6. Don't bother me; I'm doing my work.
7. Round table reading
8. I can barely hear it.

New Beginnings

We were very proud of our 8th grade program. It was one of the biggest departments at John Glenn High School.

We were fortunate to have assembled a staff who were helpful and encouraged our students while still having firm control.

Among the outstanding special programs we had were a special counseling program, a separate attendance program and an alternative program for students who couldn't fit into the regular classroom routine.

This year we had our own administrator and a new counselor. This almost completed our "School within a School" concept.

We planned a number of special activities this year to honor students with good attendance, grades, and citizenship.

1. Learning about our country.
2. Two heads are better than one.
3. It takes concentration.
4. Future Homecoming queen
5. It's not easy being an 8th grader.
6. I know that answer.

Looking Over The Past

The major change in our department for 1985-1986 was the introduction of a new course: *World Cultures: West*. This course replaced *World Geography and Western Civilization*. We also had a *District Curriculum Guide* for all courses in our department. As a result of legislation signed by Governor Deukmajian, we changed *Senior Studies* for next year to stress economics more than has been done in the past.

1. Something's in my eyes.
2. Now where was I.
3. Boy is this interesting!
4. Come on Mr. Walker, take it.
5. I got an A!
6. That's not the way it happened.
7. Mr. Gandolfo comes back as a guest lecturer.
8. The dog ate my homework.

Looking Toward Success

The Special Education Department had 6 full time teachers and a teacher who came to teach P.E. half day.

Our department made some big changes. We had one less section this year. The eventual goal was to eliminate most special education classes. The regular classroom teachers could give enough support to our students to provide for their needs.

We continued trying to develop new projects. Our students were capable and needed job skills.

One of our projects was having our students work with the computers. We tried word processing in an attempt to familiarize our students with the computer and encourage them to take related courses in college.

We continually tried to give our students skills and encouragement so they could be productive when after graduation.

The new guidelines for special ed. were the same as for the entire school. We were in a renewal process. The department tried to make the materials we taught more relevant and useful to our students' everyday lives and successes.

1. Special people get special help.
2. So, what do you want to talk about?
3. Counseling helps alot.
4. Reading can be fun.
5. That's good, your doing right.
6. Can I help you?
7. Why doesn't the bell ring when you need it?

With An Eye Toward

Our students at the 8th & 9th grade levels were exposed to a variety of team and individual sports. Once a girl found a particular activity she enjoyed, she could then sign up for a full semester of tennis, Jogging, weight training or dance as an alternative to regular p.e. classes. Each unit ran 4-5 weeks long. Team sports taught were football, volleyball, basketball & softball, while individual activities introduced were weight training, tennis, badminton, gymnastics and track & field.

1. Running is an important part of practice.
2. I knew I should have changed shoes.
3. Warming up before the game starts.
4. Will it be a new world's record or just a school record?
5. Why are we just standing here?
6. Uh! This ball is pretty heavy.
7. Enjoying the competition.

Physical Fitness & Fun

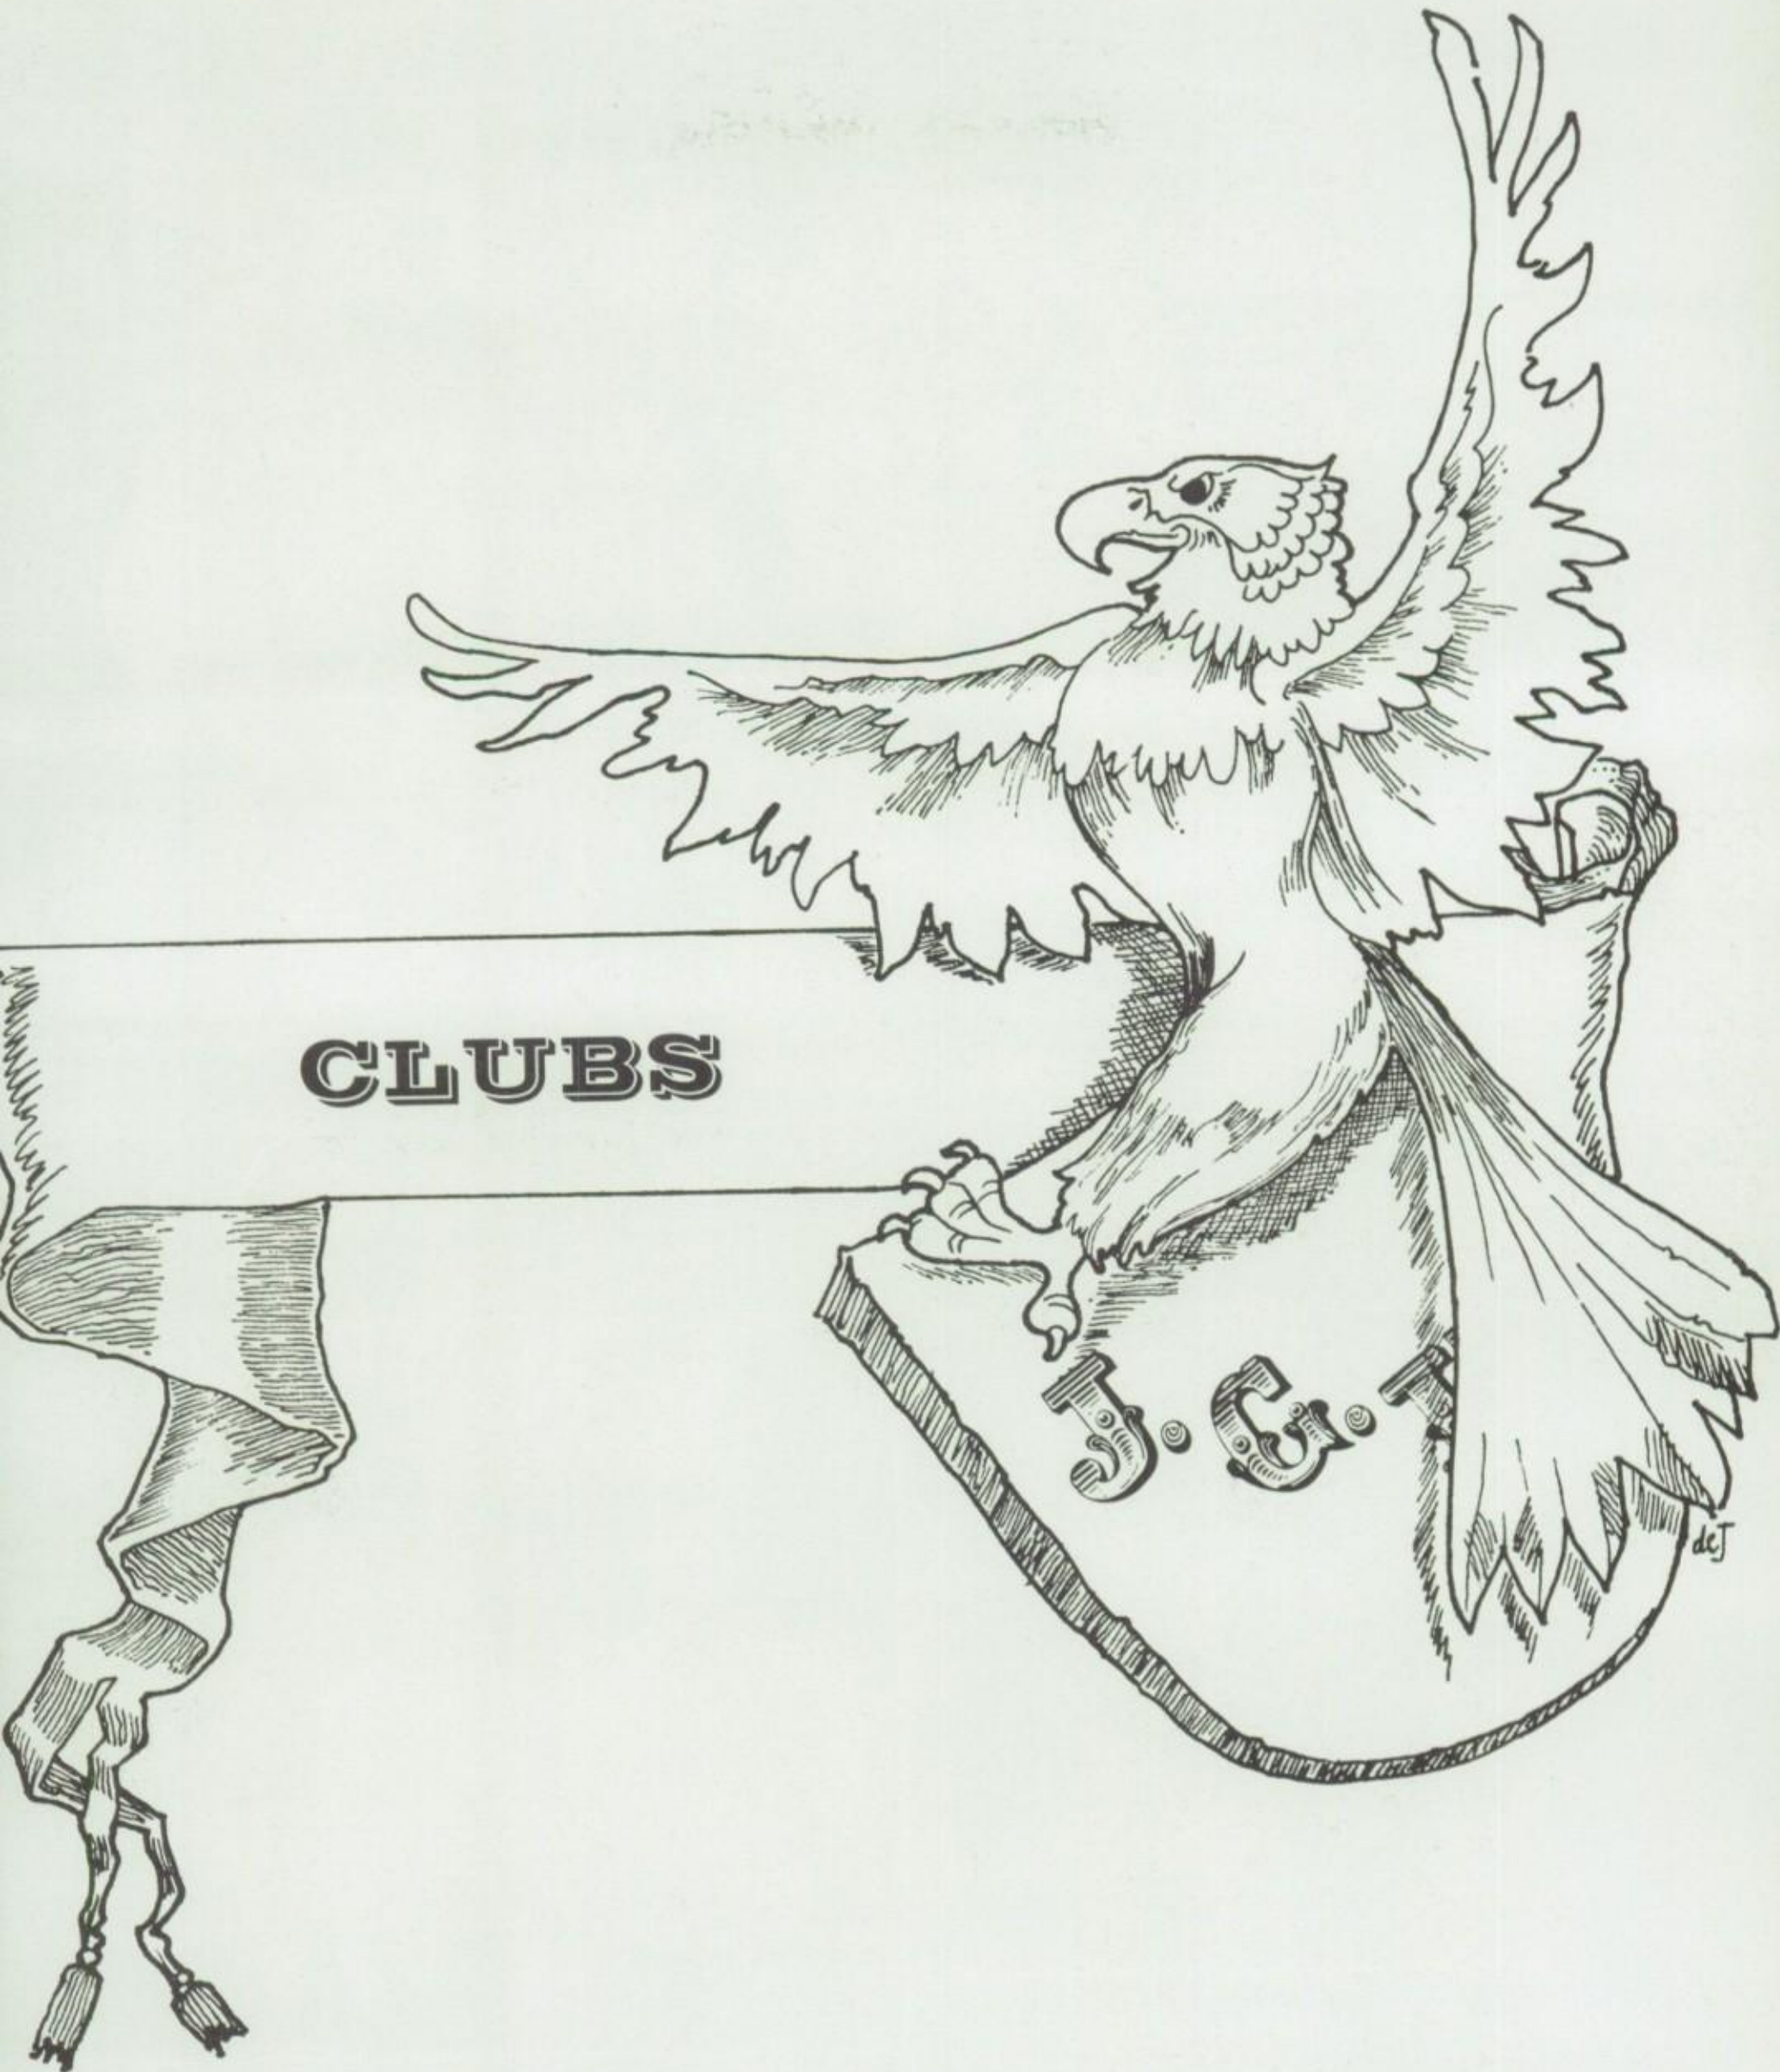

1. Come on Eddie, we only need one more.
2. Too tired to dress up.
3. Students enjoy a fun sport.
4. There's alot of diversion in p.e.
5. Here goes a killer shot.
6. That's your 101st nonsuit!

Our Homecoming Court, band, tall flags, drill team, cheerleaders, and especially our football team showed us part of the excellence that John Glenn is made of. SCHOOL LIFE

Homecoming Highjinx

John Glenn's best week arrived with a big bang. Monday started off well; many of our students turned into nerds. Tuesday the campus went back to the 60's (Hippie Day). Wednesday we were overrun with tourists. On Thursday big and small families gathered for their feasts on Family Picnic Day. The week ended with Eagles showing their spirit and pride by wearing our school colors red, white, and blue. Thanks to everybody who showed their spirit during Homecoming Week!

1. Would you marry into this family? 2. Linda Chavez and Memo Urquidi just in for a week of R&R. 3. This family just came as they were. 4. Who said the sixties were dead? 5. The sign says "Tourist", but they look like a bunch of NERDS to me! 6. Gloria Guerrero seeking donations for Homecoming Court.

Viewing Halloween

1. Images from different eras.
2. How much will you give for this one?
3. We sure do make a cute couple!
4. Don't worry, we'll win next year!
5. Scott Nelson, contest winner.
6. In you go, I caught you this time.

Spirit

This year's Halloween was a total success at John Glenn, as most of our student body participated in showing their spirit. As the years go by we get more and more into the spirit of Halloween.

We had many original costumes such as pumpkins, pirates, cavewomen, monsters, policemen, witches, scarecrows, and even a Mod. It was nice to see students get involved in spirited activities such as this, in a positive, fun manner.

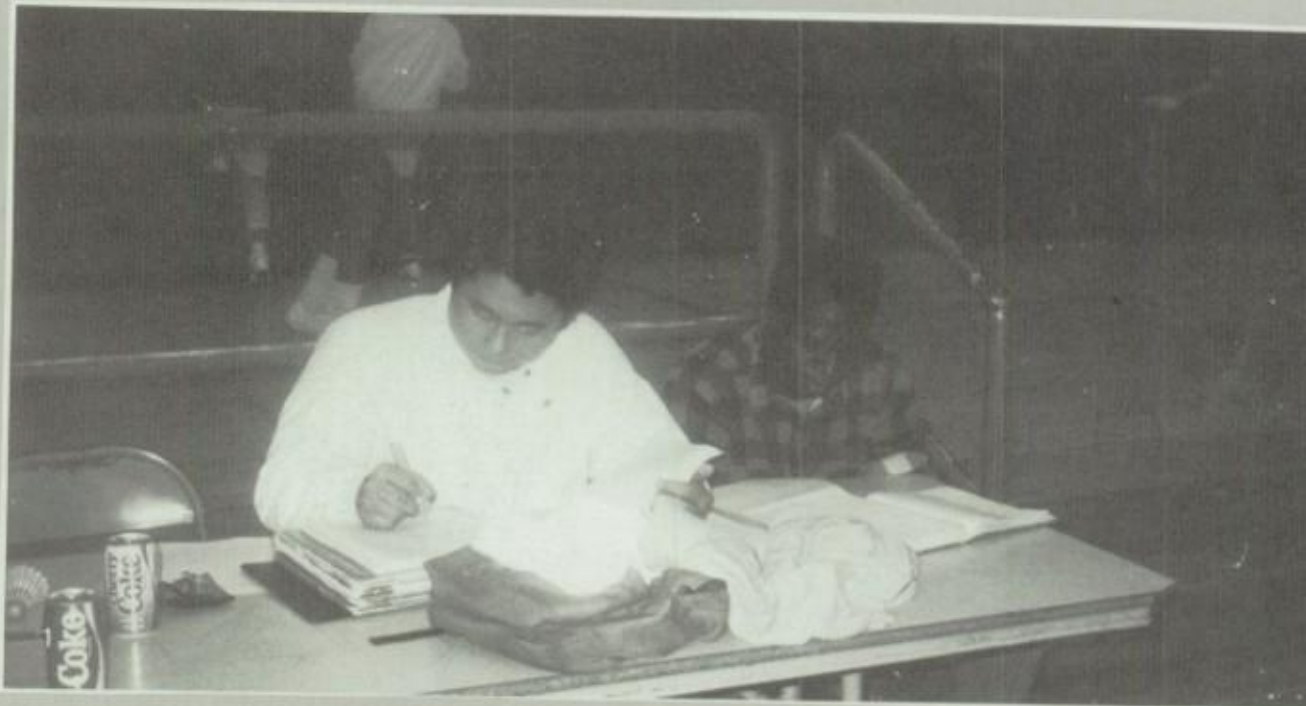

1. Aren't we gorgeous?
2. Where did I leave my broom?
3. Unknown species.
4. Mafia member poses for camera.
5. We're just clowning around.

A Night In The Gym

Sports night was one of those nights when we just wanted to get away from it all and spend an evening with friends. Several games were available that night. There was ping-pong, volleyball and basketball. It turned out to be a pretty good evening. By the look on their faces everyone had a good time.

1. There's always time for homework!
2. You guys are playing too rough!
3. Madonna's latest step
4. HI THERE!!!
5. Give me back my shirt, man!
6. Darn fly!

Pride In Student Involvement

Throughout the year our student body participated in many activities on and off campus.

As our A.S.B. officers strove to make our school better, the students went out and helped to make our community brighter.

Some examples of these fine activities were done through fundraisers visits to Convalescent homes and pinatas for elementary students. Not only did the community benefit from the services, but our school benefited by gaining the recognition it deserves.

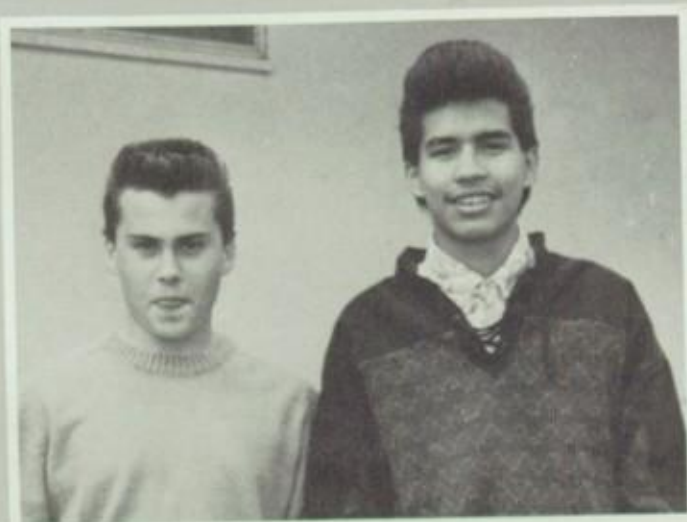

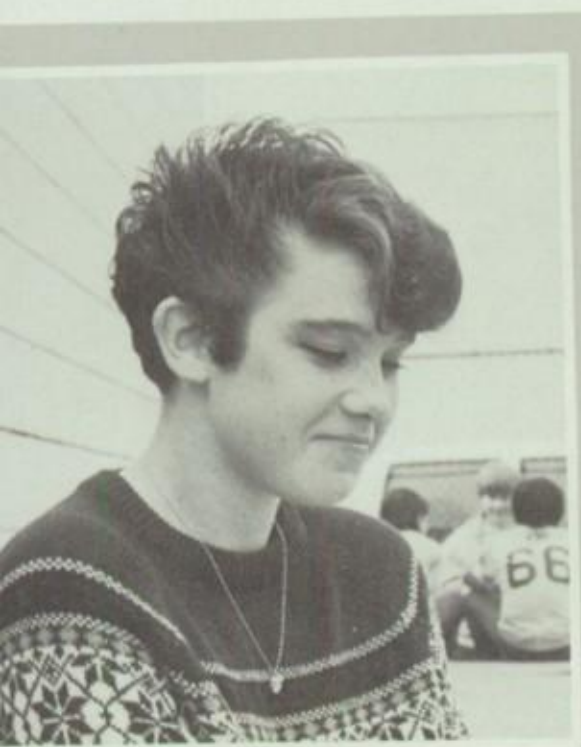

1. This kind of involvement we can do without.
2. Ballet Folkorico at their annual Thanksgiving meal.
3. The Seniors give a pizza party to raise money for color in the yearbook.
4. Mr. Galvan sends off the Mecha Club to go Christmas caroling.
5. F.B.L.A. lends a helping hand.
6. The superintendent meets with the members of the A.S.B. Cabinet from all 4 high schools.
7. The Fashion and Service Club give elementary students a Christmas piñata.

The Way We Were

In 85'-86'

School Spirit-Better Than Ever

This year's pep rallies were awesome! We had the biggest crowds ever. As pep units performed and the band played, the students anxiously awaited the spirit competitions. Some of the activities included egg passing, tug-of-war and the grab bag. Then came the Spirit Stick. It was tough to decide the winners. Even the Eighth Graders got into the spirit. Next, the band played the Alma-Mater, and everyone showed his/her loyalty to John Glenn. This year the Student Body brought back an old tradition, "The Senior rise". At the end of all the rallies, the Seniors were first to leave. We hoped that next year there will be as much spirit as there was this year.

1. We wanna fly like an Eagle!
2. Paula shows school spirit during the Alma-Mater.
3. Tell them the Pep Rally is cancelled.
4. Varsity Cheerleaders in action!
5. David Gandara and Jerome Brito perform a duet.
6. Frosh Yell Struts their stuff.
7. ...and the crowd goes wild!!!

An Eyefull Of Fans

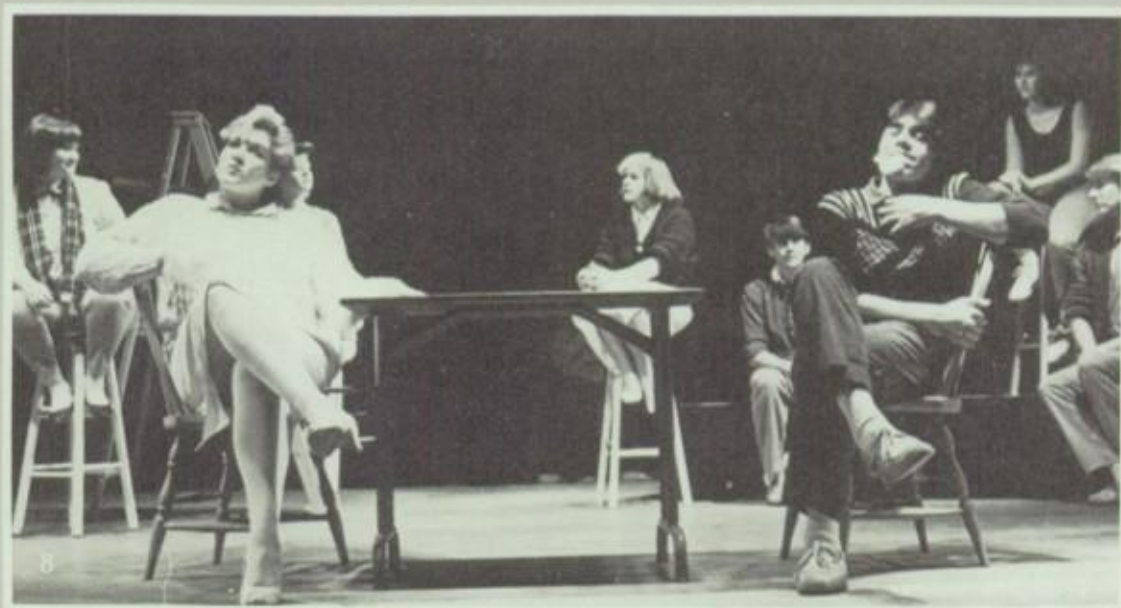

Screaming and waving frantically as a star athlete scored another point for the home team, decked out in school colors, sharing friendships while showing enthusiasm, a lively group could be found at athletic events, assemblies, and pep rallies. At games the stands were always packed with students, teachers, friends and parents cheering our team on and ready for victory. The games were fun and exciting in themselves, but equally as important were the fans who showed up time after time, win or lose. Without the cheers and frantic shouts and waves from the stands, the event just wouldn't have been the same.

"A Tribute To Theatre"

The first show of the '85-86 drama season was aptly named "A Tribute to Theatre." The three One Acts are all about some aspect of acting.

"Impromptu" is set on a dimly lit stage where 4 actors have been "called" by the "stage manager" to appear on stage for what? No one knows.

The 2nd Act is a set of short scenes written by young authors in a work shop. The show deals with "Glimpses" of life as seen through the eyes of this generation.

The final act is "The Actor's Nightmare." The title tells all to most aspiring young actors. Have you ever dreamed you were on stage and you didn't know the lines ... or the play? George knows what it's like - he walked into a theatre and found everyone thinks he is the replacement for another actor who's been in an accident. He can't convince anyone he doesn't belong there - they just keep on acting!

1. The moment of truth for Jody Salter as Tony.
2. Scott Nelson as Tony with Becky Whitley as Winifred.
3. Winifred played by Becky Whitley comforts Laura played by Alecia Hannum.
4. The In Crowd.
5. The end for George.
6. Eddie Melendez as George getting hit by Stacy Brewer as Ellen.
7. The actor's Flasher.
8. Becky Whitley and Eddie Melendez in "Red Air".

Get Into The Groove

Through the eyes of the Eagles, this year's dances were the best. They were outstanding, not only in attendance, but also financially. It seemed like everyone who attended the dances had a good time dancing, or just listening to the music.

The Halloween Dance was almost everyone's favorite, because it was a chance to play dress-up.

Sadie Hawkins was a time for it all! A time to dance or to help one of the many clubs that participated.

In December the 8th graders had their very first dance. It was a chance to socialize with kids their own age.

This year's dances seemed to have brought many people together.

1. 8th graders get into the groove.
2. This is the way to really dance!
3. The ghouls come out at night.
4. I would hate to be that poor chicken.
5. That's not what I wanted for Christmas.
6. Dancing is what it's all about!
7. Okay, Okay, we're almost ready!!!

A Night Of Glamour

It was time once again for our Annual Christmas Dance, and as usual it was a big success. The night began as couples arrived at the La Mirada Country Club. The guys were in their dashing tuxedos while the girls equaled or outdid them in their dresses. Everyone danced and enjoyed themselves through the night and to cool off, couples went out for romantic interludes on the terrace. Finally, the moment arrived. It was time to announce our 1985 Christmas Court. Everyone was anxious, listening intensively as our Queen was announced. Miss Debbie Nelson reigned graciously through the rest of the evening.

1. Oh, to be young again!
2. Donna crowning our 1985-86 Queen
3. Kiss me you fool!!!
4. Hey, what's so funny?
5. Love your dress.
6. You want me to dance? I'm a cheerleader.

Being chosen for the Christmas Queen was one of the most exciting and memorable experiences of my entire life. I know I will remember it for the rest of my life. I consider it the peak of many fun and exciting experiences through the years here at Glenn. I want to thank my parents and all of my friends, especially Pam, for their love and support in all my years here at Glenn.

Beat The Odds

The 1986 Basketball season was a learning experience for our Eagles. Last year's League Champs returned only two players, Mario Campos and Paul Caramella. As a result it was a tough season. One of the highlights of the season was beating our cross-town rivals Norwalk by a decisive 18 points. However, with all the players returning next year it should be the year of the EAGLES to return to the top.

1. Hernandez goes up for 2 points.

A View Of

The 1985 Football Season was a very successful season. Missing the playoffs by one game was disappointing, but beating Bellflower High School for the first time ever was a great way to end the season. I would like to thank all of the players, and the coaches for their hard work and dedication. Also I would like to give special thanks to the Band, Cheerleaders, Administrators and all the others who supported us through the season

Freshman football played the best they could. The team showed great spirit and played some great games. We know that they will continue to devote their full efforts as the J.V. team of the future. Each of the players gave his utmost to make this year's freshman football team the best possible.

JV Action On Display

JV Football had another exciting season, under the supervision of coach Russ Wise. The team worked very hard during the entire season, and they never gave up. With the help of the coach we hope that the JV players become better than ever in the future. Good Luck!

Scanning Varsity Volleyball

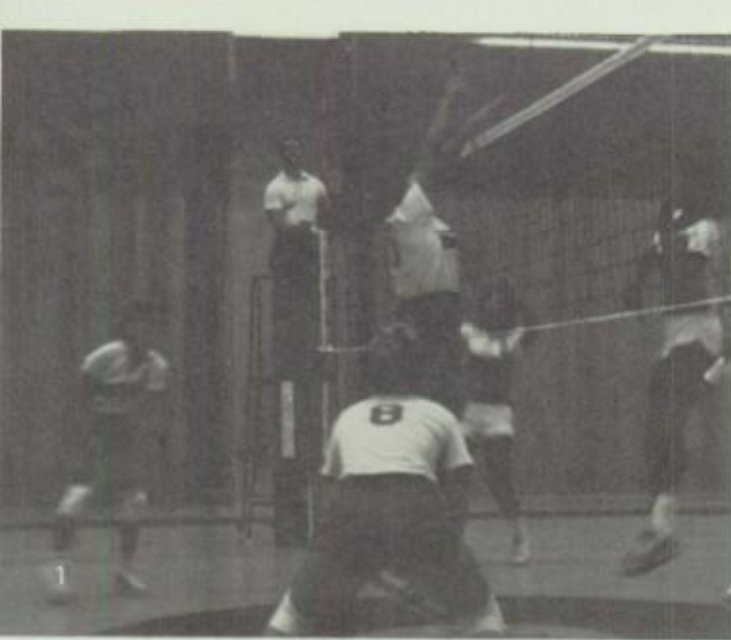

This year's Varsity Volleyball team consisted of seven seniors and six sophomores, who were led by their captain Desiree Ramos and Nancy Rangel. Their season began by attending a camp in San Diego where they worked-out to get in shape and to improve in their skills. Their coach, Susan Hixson, helped them to achieve their goals and to join the team together. They had a rough start at first, but once the season arrived, they all pulled together as one.

Eye On Freshmen Cagers

"The freshmen boys' basketball team displayed a great amount of enthusiasm and spirit considering the hardships they faced," commented Mr. Espinoza, the freshmen basketball coach. Some of these hardships were injuries during the season, infrequent use of the gym, and tough competition. We know that these boys will be looking forward to another season next year as rewarding as their 1985-86 season.

The Beginning Of Future John Glenn Winners . . .

Eighth Grade sports is something most seventh grade Athletes wait for. It's their initiation into sports at the high school level. No longer do they have to watch their older brother or sister play. Now it's their turn.

Eighth grade sports gave our youngest members of the student body their chance to learn basics of many of the sports they would eventually challenge in later years. It gave an opportunity to compete with formal organized teams. The skills acquired surely will help some of these folks to be "Super Stars" as they go on to Freshmen, J.V. And Varsity teams.

Focus On Hard Work And Dedication

J.V. Softball looked good this year. The girls on the team were hard working and they didn't give up. They encouraged each other to do their best.

The team was coached by Fran Garcia who helped the girls win games by teaching them skills and showing dedication and spirit. She taught the team the meaning of sportmanship.

Varsity Soccer: Fifth Straight

In 1986 Glenn's soccer team went for its fifth straight trip to the C.I.F. playoffs, its third Suburban League Championship in a row, and its fourth Championship in the last five years.

One player, Javier Gutierrez, accomplished a unique honor. He was the first sophomore in Glenn's history to be named to an ALL-C.I.F. SOCCER TEAM.

The team had a couple of new players, but with the help of Coach Ewing they all contributed to the winning team that no one had expected to become league champs.

Standing L to R: Coach Ewing, #17 Vira Wongphrasouk, #13 Javier Gutierrez, #3 Jose L. "We are small in number, but big in talent and determination." This was the motto for a team which has traditionally been small, but has always been one big family. A new coach, Mr. Jeff English, joined the eagles track and field family this year. He had great expectations for this largely rookie team. Victory to the team wasn't only winning medals, but also getting self-respect and knowing that all members worked their hardest and did their best.

1. Danny goes for his best triple jump.
2. "Wish I was having fun with them."
3. I get a kick out of jumping.

Glancing At Long Distance Runners

A new coach, workouts that were strenuous, tough competition, and never-ending determination made up a great season for our cross-country team. Our three-mile hilly cross country course was at La Mirada Regional Park. It is considered to be one of the toughest courses in Southern California. Nevertheless, throughout the season, the boys' varsity and Frosh-Soph teams put their best foot forward towards every finish line. For the Second year in a row, girls' varsity went to CIF as the second place team in our league.

The Run

Girls' J.V. basketball started off with a bang this year. We ran around the track, not to mention around the gym and up and down those lines! Practice was from 4 to 6:30 each night, so we worked hard. Our season started January 15th after a number of pre-season games. Most of our girls had only played basketball in the 8th grade, so we started out with only fundamentals. The girls showed some talent and gave us a good season.

1. Dawn scores 2 the hard way.
2. Paepae showing good form.
3. No, not the backhand.
4. Where did it go?

Viewing Varsity Baseball matters

The 1986 Varsity Baseball team attempted to defend its 1984-85 Championship crown. Returning lettermen were Art Rodriguez, Memo Lazalde, Shawn McDow, Mike Speer, Lucio Jaurigui and Paul Caramella. The balance of the team was made up by Joe Dort, Vince Torres, Kenny Kitt, Randy Ramirez, Mike Baca and Tracy Maziek. The goal of this year's team was to make the playoffs. The Eagles have made playoffs seven out of the last nine years.

The Junior Varsity team believed in working as hard as possible during practice in order for each player to play his best in ball games.

Prior to the beginning of the season, the players felt confident in their ability to score runs offensively and to dazzle their opponents with defensive plays. Coach Drake commented that all players played well and tried their very best.

The Lady Eagles softball team for 1985-86 was a power house. Composed of seniors, juniors and sophomores, all the girls contributed to the teams overall standing with consistently fine performances. Coach Warren Powell had a positive outlook throughout the season.

1. I finally caught it.
2. Vickie in her "ready" position.
3. Frances, don't argue with me.
4. Orlantha at her best
5. Ready or not here it comes.
6. Lisa putting in her share.

"1985-86 Suburban

What a superb year it was for these fine young ladies that struggled to be on top. They could say with pride that we were NO. 1. Becoming Suburban League Champs they really accomplished their goal for the season. Jenny, Susan, and Thalia showed their skills by being Suburban League Tournament Winners. Three of these young ladies were Seniors and will be missed not only by the team but by the whole student body. Keep it up Varsity!

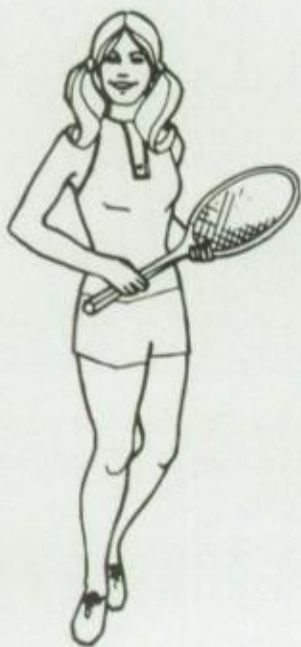

1. Oh, what a feeling.
2. Great form
3. Jenny, Susan, and Thalia with their medals.

Setting A Sight On J.V. Tennis

The girls' tennis team enjoyed a great year. They had great players that really showed what the word sportsmanship means. Their countless hours of hard practice really paid off. Job well done J.V!

1. Hey, I wasn't ready.
2. J.V.'s last minute plans.
3. Oh yeah, take this!

Standing: L to R: Abdul Zubair, Coach Espinoza, Han Chung, Giao Nguyen, Bobby Choi, Unknown Kneeling: L to R: Tim Hewey, Tushar Nandwana, Huy Nguyen, Larry Whitworth

The goal for the Boy's Varsity was to qualify for C.I.F. playoffs by finishing at least 3rd in league. The team was led by last years MVP Tim Hewey, and other returning players. They always worked together as a team should. They put forth 101%. We are proud of our Boys' Tennis.

1. Here, Tushar take it, it's yours.
2. Darn fly, get out of my way.
3. Who says you need a uniform?
4. Boys' Tennis returning lettermen.

Friends Forever

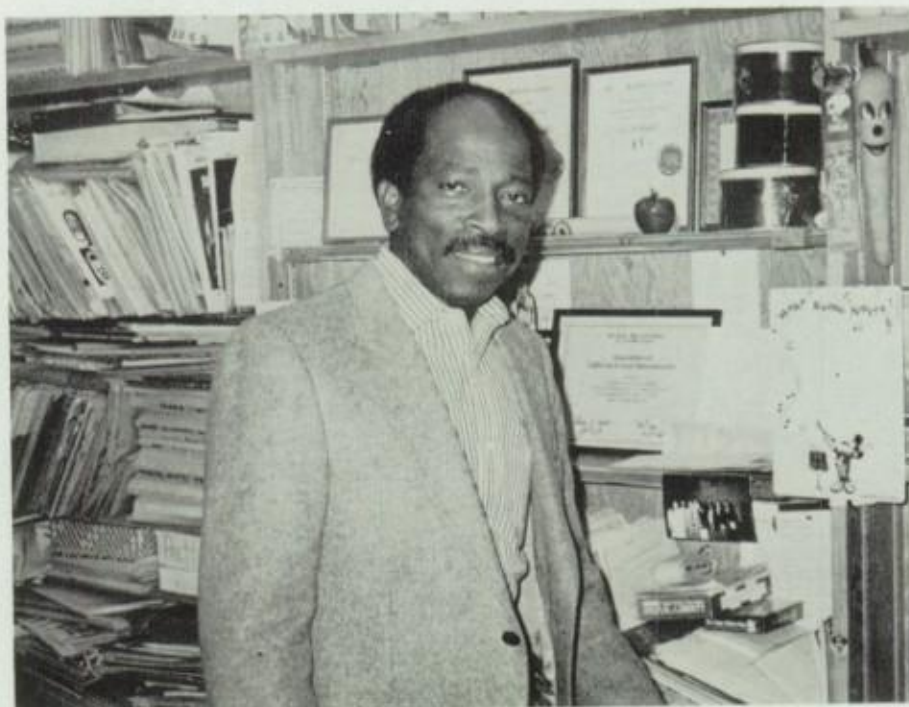

Gabriela Gomez
April 12, 1968 to June 5, 1984

We dedicate this page to our good friend Gabriela Gomez (Gaby) who will always remain in our hearts. We knew her since our childhood years. Even though she left us in this world we know that one day we will all be reunited once again. We had our good times and our bad times, we laughed, we cried, and we shared problems and even our closest secrets with each other. The memories of her will be with us on the day of our Graduation, a day that she would have shared with us. Although you're not presently with us Gaby, we feel the presence of you when we girls get together and do something special. May you rest in peace. We will always love you.

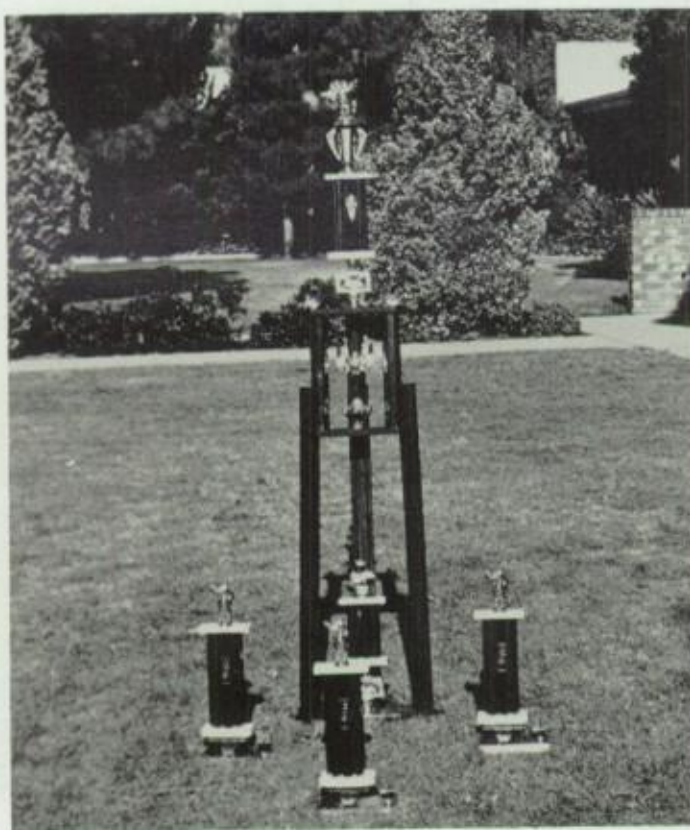

Your Friends,

Amparo Ortiz, Gloria Guerrero, Lucy Chavez, Maggie Mata, Lupe Ortiz, Bertha Lopez, Delia Alvarez, Becky Romo, Angie Delgadillo, Hortencia Godinez, Lina Peregrina, Melody Cordova.

America's future will be assured by the personal commitment you make in shaping the future of the twenty-first century.

Whatever goals you may pursue, your dedication to excellence, hard work and integrity will guarantee your success.

Best wishes,
Senator Paul Carpenter

I, Kim Mills, bequeath to Judy Todd all of our high school memories. To Susie Yonazawa, Felicia Hayes, Tiffany Fimbres all of our memories from cheerleading. To Tiffany, all of our gossip sessions.

I, Thalia Montalvo, bequeath my Tennis ability to Anna Lazalde and my ok grades to Vanessa Montalvo, good luck when you get here.

I, Javier Lizardi, bequeath my attitude and my thoughts to my best friend Sal Carrea. To my best friends Jay Garcia and Donald McClen-don, to be smart and always know what's right and wrong.

I, Memo Lazalde, bequeath to Jerry Martinez my superior athletic tal-ents, my WHEELS to Ron Zelinski and death to whoever harms my little sister.

I, Andre Delfin, bequeath my bad toe touches to Raymond and JoJo, lots of luck to the J.V. and Freshmen who make Varsity, and to Debbie I leave my heart (hope we're still together).

I, Alvin Velarde, bequeath my well kept locker and books to my brother, and the pride and spirit of the "86" Eagle to the Underclassmen of this campus.

I, Kari Woodring, bequeath all my courage to Donna, to Debbie I leave all my bad moods and to Pat I leave all my stubbornness. Thanks Donna for making my high school years great!

I, Michael M. Yonezawa, bequeath all the time I didn't have to "party" and "go out", because of school, to all the poor saps who are tied down with the heavy burden of seeking a college education.

I, Valerie Morales, bequeath my strange, bizzare and unknown unicorn drawing to Michelle James. Though I am not of sound mind, I also leave Tricia R. my un most unknown unthoughts of unnormal friendship. Bye!

I, Lucio Jaurequi, bequeath my gun to Shawn McDow. My #17 to any upcoming baseball stud. Pain to anyone who touches my sister. Good luck to Madeline, Gina and the rest of the good looking underclassmen.

I, Joannette Torres, bequeath my memories. I'm gonna miss all my friends especially John for always being by my side. "86"

I, Barbara Hulsinan, bequeath to my little sister and N.B., Ana Torres, a blast their next two years! To Michelle, Peggy, Becky, Lia, Kevin and Shawn (D.D) thanks for making this year great!

I, George Grajeda, bequeath my hair and all it's grooming utensils to Mr. Usher, Happy Birthday! And to some unsuspecting Junior I leave my incredible leadership abilities, and a size XS Madonna skirt. P.S. I'm taking my Cadillac with me!

I, Stacy Brewer, bequeath all my loving to Jonny Lennon (quarryman). "In my life I luv U more!" and all of my HARD DAYS NIGHTS "injokes" to Gina so she can laugh too.

I, Laure Lind, bequeath a road map of Edwards Air Force Base to Robert Boggs, Sean to Luisa, Ernie to Francine, and John Lennon to Stacy Brewer. I get Paul!!!

I, Linda Chavez, bequeath my red lipstick to all the underclassmen flirts of John Glenn High. Also a trail of broken hearts only remembered by the fortunate few of J.G.H.S.

I, Dennis West, bequeath my mathematical genius to Tushar, a dictio-nary to Mike Yonezawa. My best wishes to the Class of '86 and my love to ?????

I, Cheryl Leonard, bequeath all my party materials to Marni and Debbie (especially my Lighter to blaze with), Rolinda Cuevas my "A" in Govt. to graduate. All Juniors beware of your Senior Square!

I, Shannon Alvarez, bequeath my locker to my sister Marni. All my books to Debbie Dunn. I also wish Victoria & Cheryl a beautiful life together. Gilbert and I live a wonderful life.

I, Gina Rucker, bequeath my great memories from Glenn to all the underclassmen because yours will never be as the class of '86. Thank you Stacy for all the great times.

I, Maria Ortiz, bequeath Flavio, my brother, all my junky books and stinky locker to use in his two remaining years. Good luck, hope you graduate. I finally will!! '86 is #1!

I, Wes Anderson, bequeath my Vuarnet Sunglasses to the coolest kid on campus, Roger Cervantes. My love for Laurie Butro to all underclassmen and my Senioritis to the class of '87.

I, Donna Vincent, bequeath my crying brown eyes to Mr. Fernety. My wavy blond hair to Oliveoye and all my hall passes to my little sister Debbie.

I, Virginia Lopez, bequeath all our old memories to Joe G. locked in my locker. To underclassmen my unexcused absences, tardiness and unsatis-factories. To 8th graders all my hard times. '86 1.

I, Martha Noriega, bequeath all my memories of my school years to all the underclassmen I leave them my locker. And to all my friends I'll miss you all.

I, Nancy Garcia, bequeath a special surprise in my locker for Michele Aguilar, all of my spirit to the Juniors because theirs is rotten, my Eagle pride to the Sophomores, and my memories to all of my parting friends.

I, Gemma Pelina, bequeath my memories and laughter to my friends, and especially Caroline Teodoro. My Daryl Hall posters to Nancy Gar-cia. I leave my trashy locker to everybody who uses it!

I, Cindy Martin, bequeath my memories to all my friends, anything of Don Johnson to Gemma Pelina. I wish Gloria Alba to have a good time while we're gone and for Bertha Alba to always be goofy and great.

I, Peter Whitney, bequeath my smelly gym locker and sticky gym socks to my little brother Brian. Also, I leave my study skills to H.L.M. because he doesn't know what studyin' means.

I, Gabriel Moreno, bequeath my musical talents to the underclassmen in the band who will play Baritone Sax or the trombone.

I, Araceli Chavez, bequeath my thoughts and my spirit and good luck to the Class of '87, and to my two best friends Claudia Figueroa Maria Pineda.

I, Judith Rodriguez, bequeath my friendship, memories, fun and laugh-ter to my best friend, Angelica Renteria and all my love to Felipe Renteria (whom I'll never forget). Phil, Aaron, Sang, all my sweet love.

I, Cynthia Hernandez, bequeath my precious locker to any deserving underclassmen who will appreciate it. I also leave long lunch lines, Mr. Fernety, and fond memories to my friends I left behind.

I, Yvonne Thomas, bequeath all the future years to Sheree. Good Luck! To Joe, all the hard times on cheerleading. Most of all the class of '86, we did it!!!!

I, Maria Elena Ruiz, bequeath all my bad experiences in math, science, and grammer to all you lower underclassmen. To the Class of '86, I give you my dreams, hope, and love!!

Dedicating a yearbook is no easy chore. Out of the many wonderful, deserving people on a high school campus, the field has to be narrowed down to one. The 85-86 Patriot Staff agonized over this decision, because there were so many qualified candidates at our school who deserved the honor of being recognized in this important capacity.

Our choice this year was based on criteria that covered areas such as: dedication, expertise in teaching area, contribution to the school, service to students outside the classroom as well as in, and most importantly, love of teaching and for the students whose lives he/she affects so greatly.

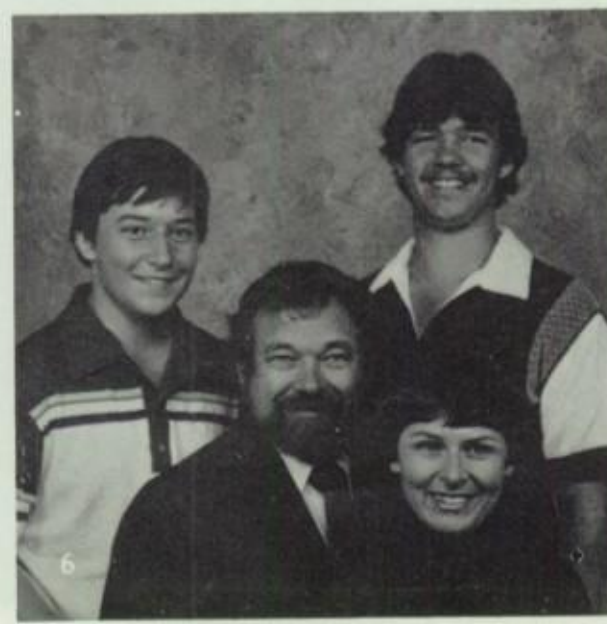

The 85-86 Patriot is dedicated to a staff member who was born in Canada, but came to the United States with her family in 1956. She graduated from Montebello High School, attended East Los Angeles College, earned her B.A. in geography at Cal State Los Angeles and is currently working on a master's degree at Cal State University Fullerton. Her studies have taken her to other college campuses in the pursuit of knowledge in such diverse areas from the study of oceans and energy to the status of women in forestry. Her teaching experiences include the teaching of chemistry, physical, earth and life science, geometry, first aid and health, and several years of advising the drill team. She has been with Norwalk/La Mirada Unified since 1972 having taught at Los Alisos before coming to Glenn in 1973. She also taught in the Bellflower School District. Her combined educational experiences are too numerous to mention, but over the years she has emerged as a true leader amongst the John Glenn faculty. She has participated in and chaired many school and district level committees. She is active in several professional organizations including the National Science Teachers Association.

All this adds up to a wealth of benefit for John Glenn students. She took groups on weekend field studies throughout the year, participated in several television programs concerning education, did research and visitations with the petroleum industry and was in constant contact with colleges and universities where many of our graduates attend.

She and her husband David were so strongly committed to John Glenn, they saw fit to send their two sons, Dennis and Tom, to Glenn. Both graduated from our school.

With the greatest of pride and respect, the Patriot staff dedicates Volume XXIV of the Patriot to one of John Glenn's finest, Rita Starnes.

1. The inimitable Mrs. Starnes shows the stuff she's made of.
2. Mrs. Starnes relaxes in the outdoors she loves so much.
3. A pretty pose in a traditional folk costume.
4. Her interest in animals goes back a ways.
5. Probably the only time in her life that Mrs. Starnes didn't smile.
6. The Starnes family: Tom, David, Rita, and Dennis.

A Special Thanks!!

Editor: Elaine Cabrera

As the editor of the 85-86 Patriot, I would like to thank all the people who made this book happen. To Ms. DeJulio-we appreciated all the beautiful art work you did for us, especially under such short notice; to all the understanding teachers who let us out of class countless times to finish deadlines; to Wally, Tony & Donna for working beyond what was reasonable developing all our rolls of film on time for us to meet our deadlines; to Ms. Lane, Mr. Ponce, and Mr. Galvan for all their help and support; to our representative from Jostens, Mr. Buzz Ponze for his special attention to all our needs; a special thanks to the staff for all the long hours they put in during and after school to make sure we completed all deadlines on time; to my two assistant editors, Patricia Montes and Sonja Viveros, a great big thanks for helping me make sure everybody was working towards completing their assignments; and to Mr. Garcia, our Advisor, for always checking up on us and making sure we did things right.

Well, the end has finally come and we're on our way to the real world of hard work, pain and strife to become what we've so many years longed to become. Yet we'll always treasure the memories of the fun, laughter and hard work we went through while in high school to try and make a decent grade in all of our classes. We hope this book adds to many fond memories in years to come.

Congratulations to the class of 1986 and Good Luck in everything you do!

Viewing Cinco de Mayo Events

Every year the Cinco de Mayo week of celebration seems to get bigger and better. This year's activities were possibly the most elaborate and memorable of all the years it has been presented. It takes the efforts of many people and groups getting together and putting on this week of festivities. The success of Cinco de Mayo week has become a testimony to the unity and sense of good will that has developed among faculty, students, and community. Therein lies the beauty of Cinco de Mayo, the coming together of our school and community in common effort and celebration. The efforts of our school, faculty, and student body were never more apparent than at the Cinco de Mayo dinner, which kicked off the festivities. Over 300 people were treated to a night of Mexican folk dance, mariachi music, singing and of course great food. Likewise, our Cinco de Mayo assembly included not only the efforts of our very own Ballet Folklórico, but also brought the always enjoyable dancers from our feeder elementary schools. These second to fourth graders always manage to steal the show. School clubs, faculty and students got together to put on the best and most elaborate Cinco de Mayo dance Glenn has ever presented. Beside the good music and dancing, all seemed to enjoy the food and game booths that made the evening reminiscent of the Sadie Hawkins dance.

One of the high points of the week came when Senior Sylvia Ortiz was crowned Queen of Cinco de Mayo at a special noon-time ceremony. The crowning marked the culmination of a month in which 23 young ladies competed for the title of Cinco de Mayo Queen. What could be more fitting than for our school to recognize the fine efforts of these young ladies and the over \$3,000 dollars they raised for the John Glenn scholarship fund.

Plans are already being made to make next year's celebration ever more grand. We don't know if it can get any better than this year's effort, but we know that John Glenn High and its community will have a lot of fun trying.

Patriotic Events

Our school events went from the traditional such as Homecoming to a few new ones such as the International Potluck and the signing of the Partnership Agreement with Southern California Edison Company.

All of our events were well attended and, of course, highly successful due to the hard work and planning that went into each one. The students who attended our activities learned quickly that John Glenn was one of the best schools around.

1. Bertha Lopez gets her blood pressure read.
2. Senator Grisham speaks to the Senior class.
3. Mayor Pro Temp, Peg Nelson awards Mr. Galvan a plaque at Founder's Day.

6. Paul and Jerome recover from donating blood.
7. Delia Alvarez concentrates to avoid the pain.
8. The signing of the Partnership Agreement with So. Ca. Edison Co.
9. Claudia and Jose show their talent.

Always Active Eagles

After a few set backs, the John Glenn High School band made their big trip of the year to San Diego for the Maytime Band Review. A lot of excitement filled the band members the night before as they practiced for the next day. 4:00 a.m. sure did come early to them as they got ready for breakfast and the big competition. The band didn't place, but they tried their best and they know next time what to expect. The Maytime Band Review was a challenge which they will meet and beat the next time.

Varsity Sports

In this year's spring sports, John Glenn High School went beyond the limit. The Varsity Softball went to C.I.F., but after a hard beating, they lost to Sunny Hills High School. The boys Varsity Tennis went to CIF also and they put forth a lot of effort, but they were defeated.

Our Varsity Baseball team went all the way to the second round of C.I.F. The guys efforts paid off, and they only lost by 1 point. The spring sports started a very successful winning tradition here at Glenn.

1. The picture says it all.
2. Band munching on their morning meal.

An Inside Look At Prom Fashions

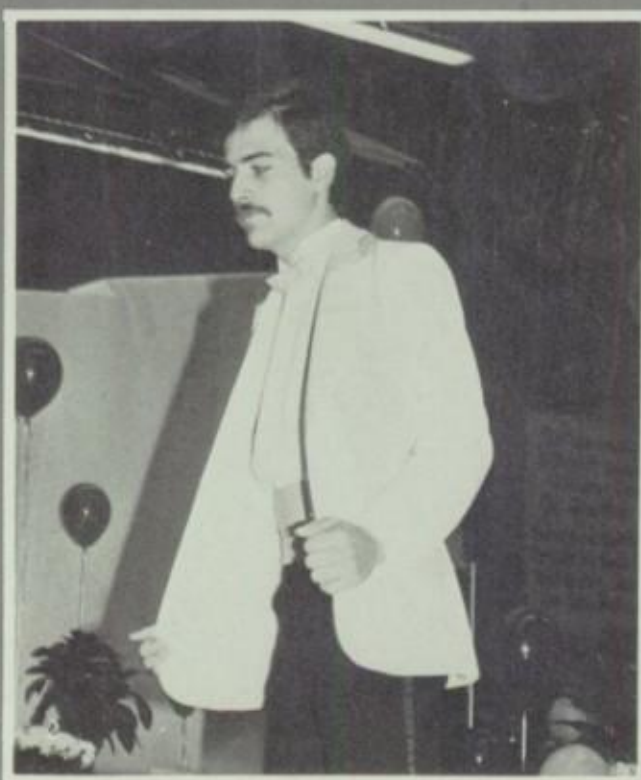

The beauty of the 1986 Prom Fashion Show was a sight to see and a memory for all those who participated.

All of the colorful formal gowns enhanced the beautiful girls that modeled them. As each glamorous girl and her gorgeous escort paraded around in their latest fashions, cheers of excitement exploded throughout the crowd.

The excitement and tension overwhelmed the crowd as the Wedding March was being played. As each stunning bride and her handsome escort walked down the aisle, everyone sat in awe, admiring them.

As the crowd exited, a feeling of excitement remained in the air. The 1986 Prom Fashion Show certainly has become an event that Glenn can take great pride in. Mrs. Bender, with the help of Mrs. Neufeld, Mrs. Wilcox, Mrs. Dauphin, Mrs. Talenko and others have brought this event to a degree of excellence unsurpassed anywhere.

Jammin' Juniors

In a tense battle between the juniors and seniors the mighty senior class of 1986 put on a magnificent display of their outstanding superiority. The total annihilation of the junior class concluded with a final score of 13 to 7.

With these few words, Powder Puff '86 came to a close, with good memories for all of us. Each and every one of the girls played a superior game and displayed good sportsmanship throughout the entire event.

A Last Look At Seniors

The Senior Parent Reception was very well prepared by the Home Economics Department. Seniors and their parents were entertained by the John Glenn Folklorico before the reception started. May 15th was another big senior day, "The Panoramic Picture." Seniors gathered together to smile and say good-bye to their Alma Mater, John Glenn. It was fascinating, although it was unbelievable, to see 305 seniors dressed up in dresses, suits and ties. Graduating seniors partied all night long while being entertained by recording artists-Mr. Mister, Klymaxx, Miami Sound Machine and Starpoint. The Magical Kingdom belonged to the Class of '86 that night. 17,000 students attended and Glenn can be proud that the 305 we sent enjoyed a fantastic evening without problems.

1. Mr. Herd welcomes seniors and parents.
2. Seniors getting ready to pose for the panoramic picture.

2. This food is good but fattening.
3. Home after a long night of fun and excitement.
4. Mom, that's the guy I told you about.
5. The line for refreshments was long but worth it.
6. Patty Garcia and Liz Martinez take a spin on the Merry-go-Round.
7. ASB Council members and their parents partake from the lovely spread.
8. Students and parents in deep concentration.

We Could Have Danced All Year

1. Straight from the jungle.
2. Who am I dancing with?
3. A new way of saying hello
4. Dance members taking a break
5. Tina Gauilar at her best
6. Thirty Bucks?!!!
7. A perfect ending
8. She wore that on picture day!
9. Shannon and Co
10. Gene and his admirers

We continued our effort to entertain Glenn students. A few more dances we put on were the St. Patrick's Day, Cinco de Mayo, Hearts and flowers and of course the Yearbook Signing dance which was the last dance of the year. Our dances weren't as well attended as we would have liked them to be, but those who attended enjoyed the music, dancing, and companionship.

The modern dance department always has a dance showcase. This year the showcase was filled with many different dance routines. There were old dances from the 50's, dances with teddy bears, solos and a lot more. Thanks to Mrs. Wilcox, the showcase was a big success.

A Night To Cherish With Your Tender Love

The 1986 Junior/Senior Prom was perhaps the most well attended event in recent years. It was a perfect night as elegantly dressed couples began to arrive aboard the Queen Mary in Long Beach. The stately atmosphere of this historical ship was brought into a more contemporary feeling as we began to sway to the music of D.J. Ed Castillo. A refreshment bar and hors d'oeuvres were available for us to snack on as the hours passed ever so quickly. A new twist was added to the prom this year when Yearbook Editor, Elaine Cabrera, assistant editors Patricia Montes and Sonja Viveros made a surprise presentation of the dedication of the 1985-86 Patriot. The recipient, Mrs. Rita Starnes, was completely over-whelmed with surprise and joy. The romantic air that surrounded prom night was enhanced as couples strolled out on the deck of the ship under the moonlight. When "last dance" was called we could hardly believe that this magical evening was coming to an end.

1. The prom belongs to couples.
2. Mrs. Schegetz and others chaperoned as well as enjoyed the night.
3. Moving to the beat
4. Mrs. Starnes and her family accept the dedication of the '86 Patriot as Mr. Garcia shows the book for the very first time.
5. Antoinette Garcia is entranced by the evening.
6. Laughter and good times abound.
7. Hardly a space was left on the dance floor all night.
8. Aicha Sinayoko and her date join the crowd on the dance floor.

A Year Is Never

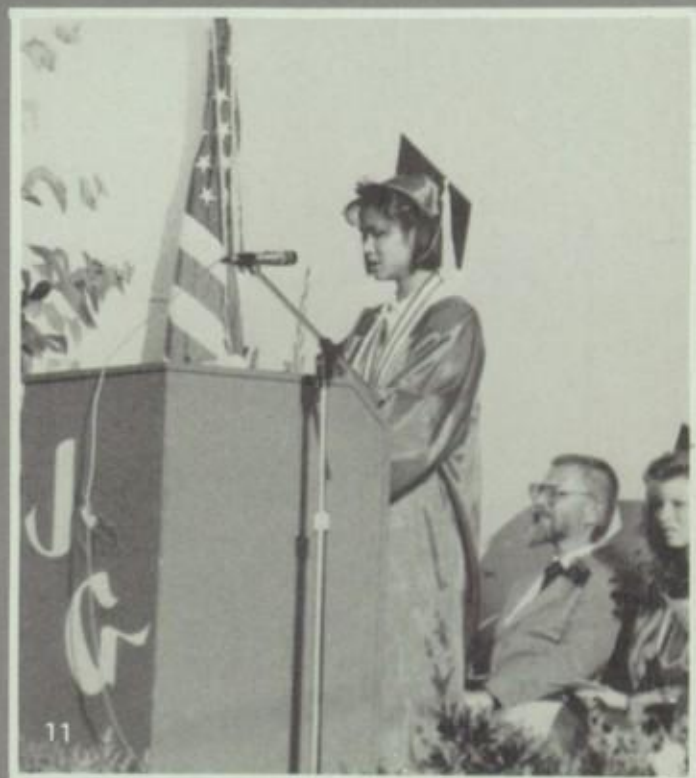

1. A.S.B. Sgt.-at-Arms, Susan Nielson leads the invocation.

3. B. of A. certificates awarded to recipients.
4. PTSA Scholarship receivers
5. Mr. Wilson presents certificates of outstanding achievements to Lynette Dorsey and Jody Salter.
6. Mrs. Higgins presenting an award to Donna Vincent, Nancy Ruvalcava and Pam Reay.
7. Seniors give a standing ovation to Hoa Ly.
8. ASB President George Grajeda leads the flag salute.
9. Ms. Starnes and Mr. Roper make the Elks Lodge presentations.

This night was a time to honor those students who excelled over and beyond. This was a special night for all the recipients but especially for the Seniors. This night was when all the hard work was rewarded and those seniors who had worked hard to keep a good grade point average received a gold tassel for being an honor student. There was some comedy throughout the night when banners kept falling from the stage, but we'll remember that the only banner that lasted was the one that proclaimed, "The Class of 1986".

THROUGH THE EYES OF EAGLES
